

DEPARTMENT OF CIVIL & ENVIRONMENTAL ENGINEERING

***STRUCTURAL ENGINEERING FACULTY POSITION  
UNIVERSITY OF MARYLAND***

University of Maryland, Department of Civil and Environmental Engineering seeks applicants for a tenure-track position in structural engineering, preferably at the assistant professor level, but appointment at associate professor rank will be considered. Candidates should demonstrate the ability to: teach effectively at the undergraduate and graduate levels, guide an active scholarly research program, and obtain funding from competitive external funding agencies. Of specific interest is expertise that would complement existing research programs in structural health monitoring, reliability and bridge engineering. Sustainability related structural engineering issues will be a plus for the candidate's research and teaching portfolio. All applicants must hold a PhD in Civil Engineering or a related field by December 2011 for appointment in fall 2012.

For *best consideration* applications should be received by January 15, 2010, and will be closed by January 30, 2012. Applications should include a cover letter, curriculum vitae, statement of research and teaching interests, and four names of references with contact information. Applicants should apply electronically at [https://jobs.umd.edu/applicants/jsp/shared/Welcome\\_css.jsp](https://jobs.umd.edu/applicants/jsp/shared/Welcome_css.jsp), position number 105648.

Questions should be referred to:

Ms. Janet Alessandrini
