Robert (Bob) J. Camillone, M.ASCE, was a distinguished Civil Engineer and friend of the American Society of Civil Engineers (ASCE). A member of ASCE and the IL Section since 1979, Bob was on the Transportation Group Executive Committee, serving as Hospitality Chair as well as assisting on many other committees. Bob also was on the IL Section’s Communications and Awards committees, and received ASCE Life Membership in 2008. His distinctive outlook, dedication to learning and to promoting engineering, and his contributions to ASCE are deeply appreciated.

Bob earned a BSEE from the University of Illinois, Urbana (1965), and joined Cutler-Hammer Inc., Milwaukee, WI designing electrical/electronic systems for industrial plants and over 120 Navy/Marine Ships. His career also included engineering at the Electro-Motive Division of GM in LaGrange IL, the Pullman-Standard Passenger in Chicago, Day & Zimmerman Inc. / Pullman Technology Inc., and consulting to LTV Steel, the Veterans Administration, and US Steel Corporation. In addition to his day job, he also earned a MSCE with Thesis from IIT’s Weekend Program (1977) and an MBA from the Lewis University Professional Evening Program (1996). A member of the Western Society of Engineers and a life senior member of the Institute of Electrical and Electronic Engineers, Bob was a University of Illinois Ambassador, helping students entering and graduating college.

Bob passed away in November 2010, but his spirit lives on in the form of those students seeking to become civil engineers dedicated to making the world a better place for all.
The Illinois Section of the American Society of Civil Engineers (ASCE) - Transportation Group, is seeking candidates for the Bob Camillone Memorial Scholarship in the amount of **$1500** to an undergraduate and **$1500** to a graduate student to be awarded in April of 2012 at the ASCE Illinois Section President-Elect / Student Awards Dinner.

**To be eligible for a scholarship, candidates must meet the following criteria:**

- Full-time civil engineering undergraduate or graduate student majoring in transportation engineering or a closely related field (structures, drainage, etc.)
- Enrolled in a civil engineering program at the University of Illinois at Chicago (UIC), Northwestern University (NU), or the Illinois Institute of Technology (IIT).
- Scheduled to be a full-time engineering undergraduate or graduate student for the Fall 2012 semester.

**Candidates will be evaluated by the selection committee on the following basis:**

- Academic performance
- Education, career objectives, and a passion for the engineering profession
- Letters of recommendation
- Community involvement and other extracurricular activities
- Member of ASCE, Illinois Section or the local student chapter

**To apply for a scholarship please package the following and send to the address below:**

- Completed application form
- One (1) copy your most recent transcript
- One (1) copy of current registered classes for 2011-2012 academic school year
- Two (2) letters of recommendation from faculty members, employers or other significant persons. Please have them mailed to the address listed below.

**All information should be packaged and postmarked by Friday, March 9th, 2012.**

- Prior to sending in packaged information please send an email stating your intent to apply for this scholarship.
- A confirmation email will be sent out verifying your application and materials has been received.
- Any questions please contact Andy Walton (phone: 312-242-6430 or email: awalton@primerachicago.com)
- All applicants will receive notification of the results by March 23rd, 2012.
- The presentation of the scholarships will be held at the ASCE Illinois Section President-Elect / Student Awards dinner on April 11th, 2012 in downtown Chicago. Recipients will be allowed to bring a guest to the dinner.

**Mailing Address:** Primera Engineers, LLC
100 S. Wacker Drive, Suite 700
Chicago, IL 60606
